Breakfast at the resort with voucher. Say farwell to Nashville as we head for our next stop. Lunch will be on your own today. Arrive at the Natural bridge and check into the Natural Bridge hotel. Dinner is included at the hotel. Enjoy the Drama of Creation, On May 22, 1927 then President of the United States Calvin Coolidge pressed the button that inaugurated the night illumination of Natural Bridge. Phineas Stevens, celebrated lighting engineer, had designed and installed an impressive system of lighting which at night transforms the Bridge and glen into a marvel of living stone. To this, musical accompaniment was added to form a moving drama of creation, interpreted by some of the greatest symphonic compositions of all time and vocal music of unusual quality and appeal. During the night pageant, mountain sides form a vast stage. Scenes move and change with the mood of gripping music in a spectacle which takes the onlooker back into the eternal ages.

Breakfast is included at the hotel. Before heading home experience the beauty of the Natural Bridge. Natural Bridge and Niagara Falls were the two wonders of the new world that Europeans visited during the 18th and 19th centuries. Of the two sights, Natural Bridge, without clear explanation of its formation, was the more mysterious. Next we will visit the Indian Village. Natural Bridge and the Monacan Indian Nation of Virginia have joined together to construct a living history Native American Village complex. Visitors will be invited to step back in time and see what life would have been in a typical Native American Village 300 years ago. Learn about cooking, construction, fishing, gardening, and more. End our wonderful journey with a step back in time at the Toy & Wax Museum. On display are more than 45,000 different toys in thousands of different collections that span almost 300 years. Inside the Toy Museum visitors can see various games, toys, and childhood relics that date all the way back to 1740, as the Toy Museum has on display two dolls made in England in 1740 that were played with during the Colonial period and American Revolution in Savannah Georgia. The Wax Museum features figurines and scenes from Virginia's history and the Natural Bridge. Featuring legends of the Revolution and the historical generals of the Confederacy, this Wax Museum in VA has wax figurines of George Washington, Thomas Jefferson and other historical figures. Enjoy lunch on your own. We will depart for home at 2:00 PM. Approximate arrival back 8:00 PM.
